

# Pasco County Christmas Tree Recycling

Help the environment - return your tree to the earth.

If your Christmas tree is a live one with a root ball, please plant it. If it's not, then please recycle your tree! After the holidays, remove all tinsel, metal hooks and decorations from your tree and drop it off at one of the following locations during normal business hours. Do this from **December 26, 2011 through January 8, 2012**. The trees will be chipped and made into mulch for landscaping purposes.

Veterans Memorial Park  
14333 Hicks Road  
Hudson – W. Pasco

2305 Baillie's Bluff Road  
Holiday

Wesley Chapel District Park  
North end at Overpass road  
7727 Boyette Rd  
Wesley Chapel

*Please recycle and* **CURB YOUR BLUES!** If you get twice-a-week garbage pickup, you are already paying for recycling service. You can recycle from the convenience of your home. Put all your recyclables in the same blue bag and put the bag out on the curb on your regular blue bag pickup day (check with your garbage hauler for your blue bag schedule). You can recycle aluminum cans, metal food cans, clear, green and brown glass bottles and jars, and coded #1 and #2 plastic bottles and jars. Please rinse and remove caps before recycling.

**Questions? Please call Recycling at:**  
**727-847-8041, 813-235-6012, and 352-521-4285, ext. 8041**
